TESTIMONIALS

“

I have really enjoyed the relationship between Tri-C Westshore and Crocker Park. We are so proud to coexist in the Westlake community and are lucky to have forged a great partnership. Every year we are contacted by the Marketing Team at Stark Enterprises –and presented with opportunities not only for sponsorship but for participation in Crocker Park’s events as well. We rush to secure the “Walk Through Ornament” sponsorship that is offered during the holidays as that has become a signature thing for us. We like this one because it allows people—families, singles, friends, etc—to take a photo in the ornament as a holiday keepsake that may get them thinking about Tri-C Westshore. With other opportunities that arise throughout the year, we know that our friends at Crocker Park are always thinking of ways that we can stand out. Crocker Park is a great place to eat, shop and socialize—we’ve gathered as an after-work group there to recognize milestone events among the staff and faculty and look to Crocker Park to be “our” place in town!”
